

CITIES AS ARENAS OF POLITICAL INNOVATION IN THE STRENGTHENING OF DELIBERATIVE AND PARTICIPATORY DEMOCRACY

EUARENAS responds to a major European challenge – the need to strengthen legitimacy, identification and engagement within the democratic public sphere.

10 partners

3.5 years

4 pilot cities

EUARENAS investigates the ways in which social movements coupled with local government reform initiatives, manifesting themselves in local-level experiments, create momentum for political change that include more inclusive and participatory forms of governance.

NURTURING **ACTIVE CITIZENSHIP, SOCIAL AGENDAS AND POLITICAL LIFE** THROUGH CITIZEN PARTICIPATION AND DEMOCRATIC INNOVATIONS IN EUROPEAN CITIES

LUISS

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 959420.
